

Reading List: Maternal Mortality in Sub-Saharan Africa

This reading list is non-extensive. It was prepared for the online workshop on Maternal Mortality in Sub-Saharan Africa which was held online on 28 and 29 September 2020 at the University of Cambridge as part of the SRI Reproduction theme: <https://www.repro.cam.ac.uk/mmia-2020>. Readings were contributed by the workshop organisers and attendees.

Public health, demography and international development
